

Gear Hut 2020 Non-Profit Partnership Application

Due to high interest in our non-profit partnerships, we are putting out applications for 2020. We will be selecting six non-profits to be our “featured” groups that get the perks of being highlighted for two months (via a bulletin board and social media) and receive two “10% of sales” donation days.

As a used gear shop, our mission surrounds making the outdoors more accessible in our community and promoting the preservation and growth of our outdoor spaces. Priority will be given to groups that have similar missions and are locally based (Northern Nevada).

Please fill out the questions below and submit your application in person or to gearhutreno@gmail.com by January 15th, 2020. Selections will be made by January 22nd, 2020.

Nonprofit group: _____

Primary contact person: _____

Email: _____

Phone: _____

Website: _____

Is your group designated 501(c)(3)? (Yes) or (No)

Instagram and Facebook handles: _____

By January 22nd, Gear Hut will send out emails to all accepted non-profits with a schedule of their feature months for the 2020 year. Non-profits will have 2 weeks to bring in any material for their feature on our “Non Profit of the Month” bulletin board prior to their designated month. Please bring in information on any upcoming events, your mission and programs! Non-Profits will have various opportunities in the year to team up with Gear Hut for various events (such as informational hikes, clean-ups, etc).

****If you are not selected as a featured non-profit or you are a community group rather than a designated “non-profit”, no worries!! You can still create an account with us and encourage your volunteers, members and community to donate their gear under your account! This is a great fundraising option for your group (think ongoing rummage sale without the stress)!****

Additional questions on PAGE 2

Gear Hut 2020 Non-Profit Partnership Application

What is the mission of your non-profit?

Why do you think a partnership with Gear Hut makes sense for your group?

What programs will your donation profits go towards? (Ie: scholarships, kids programs, clean-ups...)
